Hoofbeats From The President

Welcome to 2010! I hope that everyone had a wonderful Holiday Season and the New Year is a prosperous one for the horse industry and each of us. I also hope that Spring is just around the corner....BRRRRRR!

First, we have a new website:centralvirginiapainthorseclub.org and we also have a Face Book page. Please check them both out for updates, pictures, news and information.

We will be holding our 2009 Year End Awards Banquet at Slaws Resturant on Feb. 6, 2010. Please RSVP to Kathy Cole if you plan to attend. We will also have a table at The Mid-Winter Sale in Lexington, Va. We need volunteers to help man the table for a few hours at a time. Contact any of the officers if you are available to help out.

CVPCH will be adding some new items this year. We will be implementing an Open Show series division for a year end award. The rules and regulations will soon be in place. This is to offer our members that like to show, but do not regularly attend APHA approved shows an opportunity to get recognized for their accomplishments. We will continue to offer trail rides and our APHA approved shows. This year we will hold 3 APHA approved shows. On June 5&6, 2010 we will offer 2 full slate/double judged shows at the newly renovated Frying Pan Park in Herndon, Va. The Color Classic Futurity & POR Show will again be held in Lexington, Va. October 8,9,10, 2010. The Futurity show will include added monies from a grant from the Virginia Horse Industry Board totaling \$3000 that will be awarded. Please check our new website for info on this as it becomes available.

Don't forget to check our SSA for our 2010 selection of Stallions for your breeding consideration. New stallions are coming, and we already have some listed so keep checking the website for this.

Look forward to seeing you!

Enjoy your day, ride a horse!!!
